

If you are experiencing trouble accessing Parcel Viewer it may be due to compatibility issues with Internet Explorer 10 or 11. To troubleshoot and change your compatibility settings please follow these instructions.

On the menu at the top of the screen, click on Tools and select Compatibility View Settings.

On Compatibility View Settings, make sure "Display intranet sites in Compatibility View" is checked and saccounty.net is in the "Add this website" box. Click "Add".

Close this window and open the Assessor's Parcel Viewer Application.
