FOR IMMEDIATE RELEASE:

Sacramento County Assessor, Ken Stieger, has appointed Kathleen Kelleher as his new Assistant Assessor. Kathleen is the first woman to be appointed as Sacramento County's Assistant Assessor in the history of that office. Kathleen Kelleher has been with the Assessor's office for the last fourteen years and was most recently the Chief of the Assessor's office Systems and Standards Division. Kathleen graduated from California State University, Sacramento with a Bachelor's Degree in Business Administration and a concentration in Real Estate and Land Use Affairs. Kathleen has since pursued graduate level work in real estate at Golden Gate University. Also, she is certified by the California State Board of Equalization as an advanced appraiser for property tax purposes. Assessor Stieger states that "Kathleen is well qualified to help lead this office and will bring her many talents to this position."

John Solie, who has been Assistant Assessor for the last five and one-half years, asked to be relieved of those duties to head a project team to develop a new Assessor's Information System. John Solie will be reinstated to a Senior Information Technology Analyst and will lead a systems team within the Assessor's office to develop this new system. Assessor Ken Stieger thanks John Solie for all he has done for the department as Assistant Assessor during his tenure and for making the transition to Assessor an easy one for him. Stieger says: "I know he will do a great job in his new position and I am looking forward to continue working closely with him in that new role."

For more information contact Ken Stieger at (916) 874-8522
