FOR IMMEDIATE RELEASE

2005-2006 PROPERTY TAX ROLL TOTALS ANNOUNCED

Assessor Ken Stieger has announced that the 2005-2006 Assessment Roll was completed on July 1, and that the final total assessed value of the combined Secured and Unsecured Tax Rolls is **\$106,152,797,789** (net of exemptions).

This total represents an overall increase of approximately \$13.718 billion over the 2004-2005 Assessment Roll total, or a percentage increase of approximately **14.84%**.

The growth in our property tax roll reflects the general and continuing upturn in the real estate market that began in 1998. The 14.84 % increase this year is the largest growth rate since Proposition 13 was enacted in 1978.

The completion of the 2005-06 roll was accomplished due to the dedication and hard work of the Assessor's staff that in addition to completing this roll, serviced approximately 100,000 customers last year.
